### LRE

### LED Recessed Edge-Lit Round Panel

The CCT Adjustable LRE Series LED Downlight provides high-quality light output and efficiency featuring a switch for easy color temperature adjustment - while eliminating the need for recessed housings. The innovative, slim design allows for retrofit, remodel or new construction installation from below the ceiling. The LED module maintains at least 70% light output for 50,000 hours. The LRE Series is wet location listed - making it ideal for use in a breadth of outdoor residential, hospitality, commercial and multifamily applications.

### CONSTRUCTION

Aluminum die cast outer frame. Durable powder coat paint to prevent rust. FT4 plenum rated cable connector to connect from module to remote driver box. IC rated driver with convenience and value of two remote selectable color temperature options, each with a setting choice to choose either 2700K, 3000K, 3500K, 4000K, 5000K using the switch. The isolated driver integrated inside steel remote box with four 7/8" knockouts with slots for pryout. Suitable for pulling wires with the 12 cubic-inch wiring compartment to accommodate up to (6) 14 gauge insulated conductors; making the LRE Series LED Downlights much easier to wire in 2in/2out (plus ground) daisy-chain applications and contractor friendly.

### ELECTRICAL

Equipped standard with 120V, 10-100% dimming driver.

### QUALIFICATIONS

All luminaires are built to UL 1598 and 2108 standards, and bear appropriate ETL labels. Wet location labeling is standard. Emergency equipped fixtures labeled UL924. Suitable for closets according to NEC Section 410.8 & 410.16. Adheres to LM70, LM80 and TM21 industry standards. Dedicated 120V Models are FCC Title 47 CFR, Part 15, Class B for residential and commercial applications.

### INSTALLATION

Ideal for shallow ceiling plenum; no housing required. Steel spring clip for easy installation. 6" cut out template is provided to ensure a correct sized hole is cut into ceiling for proper intallation of the trim. Size of hole should not exceed 6-1/4" for this product. Suitable for installation in t-grid and drop ceiling applications. 2" plenum space required for installation of the remote driver box.

### WARRANTY

3-year Limited Warranty. See warranty documentation for more info.
