TRK2

Track Light Fixture

The TRK2 Series Family of track light fixtures are offered in attractive brushed nickel or black finish options. The TRK2 Track lights are designed for superior directional lighting distribution without taking away from the interior design of any living space. Gimbal heads provides superior lighting for living spaces such as living rooms, bedrooms and more. Adjustable light heads will offer you more flexibility and will allow you to point the light in areas where you need it the most. This indoor light is rated for use in damp locations. Strategically designed using premium quality materials, this light provides a durable and long-lasting functionality to give your home the perfect illumination.
