Adders and Accessories

Emergency Battery
The emergency battery back-up provides 90 minutes of power to your fixture in the event of an emergency.

Suspended Continuous Run
Designed for quick and simple installation, this mounting kit is specifically for use with ALX fixtures for suspension mounting via 78” aircraft cable for continuous runs (No power feed).

Suspended Pendant Mount Kit (3 Wire)
Designed for quick and simple installation, this suspension mount kit is specifically for use with ALX fixtures for suspension mounting via 78” aircraft cable, with canopy and 3 wire power feed.

Suspended Pendant Mount Kit (5 Wire)
Designed for quick and simple installation, this suspension mount kit is specifically for use with ALX fixtures for suspension mounting via 78” aircraft cable, with canopy and 5 wire power feed.

Surface Mount Kit
Designed for quick and simple installation, this surface mount kit is specifically for use with ALX fixtures for ceiling mount.
